Cast receiver

AirServer Connect 3

- AirServer Connect 3 is the most stable and easy to use professional mirroring and casting device in the market
- Only one USB-C cable is needed to connect the AirServer Connect 3 to a screen. Power, audio, video, touchsignals, ethernet and connected camera's are all managed through AirServer Connect 3's USB-C connection
- Mounting the Connect 3 is easier then ever. The magnetic mount allows users to place the Connect 3 immediately at displays, mounting solutions and other metallic surfaces
- Connect 3 uses state of the art components, now allowing 12 simultaneous stream and featuring a commercial grade Wi-Fi 6 accespoint making it the most stable and most powerful solution in the market
- AirServer Connect 3 is fully future proof, supporting AirPlay 2 and being Bring Your Own Meeting prepared
