

## HSE-70A/SK

Order No.: 0235190

### PRODUCTINFOS

**A series of headband microphones and earband microphones for universal applications, beige version for adapter systems.**

With the supplied adapters, suitable for pocket transmitters from MONACOR and JTS. Further connection adapters for devices from other manufacturers are available at option.

#### **Hyperlight miniature earband microphone,**

with a high-quality cartridge, omnidirectional characteristic.

Practically invisible - outstanding sound technology! The HSE-70A/SK features a state-of-the-art appearance, technology and sound! This earband microphone is ideally suited for any application requiring perfect audibility and an accentuated sound. The high-quality back electret cartridge of omnidirectional characteristic with an optimised sound has been manufactured in Europe and provides a voice reproduction of the brilliant high range which is almost unparalleled. It always provides a high-quality sound even if the microphone is not perfectly aligned to the mouth. The innovative and almost invisible one-ear attachment with earband and earlobe support provides a perfect fit and makes it very comfortable to wear. This microphone is the solution where headband-based systems are rather inconvenient to use. Separate headphones can also be used simultaneously without any problems and without them being uncomfortable to wear.

**Special technical feature:**

The removable connection cable can be replaced by HSE-70C. With optional adapters, the microphone can also be operated with transmission systems from other manufacturers.

- Wide transmission range
- Very comfortable to wear
- Stable positioning
- Drip ring (protects cartridge from moisture)
- Removable sweat-proof connection cable with 2.5 mm stereo plug
- With the supplied adapters, compatible with all TXS-...HSE pocket transmitters (3-pole mini XLR) and pocket transmitters from JTS (4-pole mini XLR)
- Optional adapters allow the application with devices from other manufacturers
- External power supply e.g. via phantom power supply adapter EMA-1 or EMA-300P
- Windshield

**TECHNICAL SPECIFICATIONS****HSE-70A/SK**

Description	headband microphone
Transmission method	cable

**HSE-70A/SK**

Polar pattern	omnidir.
System	back electret
Audio frequency range	20-20,000 Hz
Nominal impedance	2 kΩ
Sensitivity	5.6 mV/Pa
S/N ratio	> 65 dB
Max. sound pressure	140 dB
Power supply	DC 0.8-5 V
Admiss. ambient temp.	0-40 °C
Weight	6 g
Connection	2.5 mm stereo plug 2 connecting adapters
Packaging dimensions (W x H x L)	0.11 x 0.045 x 0.22 m
Gross weight	0.248 kg
Net weight	0.184 kg

**HSE-70A/SK**

EAN code	4007754196818
Net weight	0.184 kg
