BROWSE

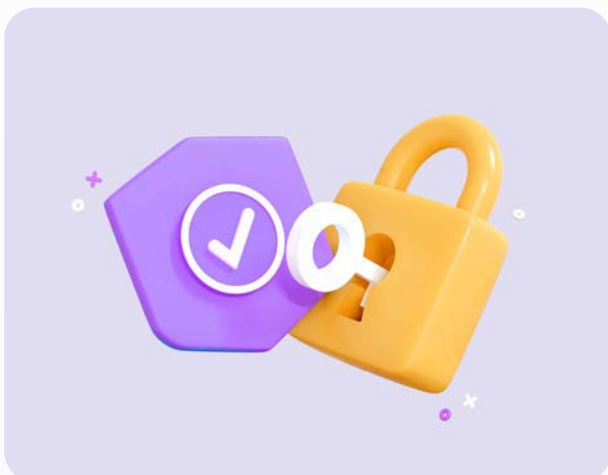

Google Play Store: feel spoilt for choice.

With Google Play Store built in, you can access the official Google Play Store, unlocking thousands of apps that will work on i3TOUCH X3. If you want to install an app, you can do so in just a few taps.

Work Better with Google Workspace.

The X3 can be used with Google Workspace to enjoy advanced security and device management capabilities or to simply log in to your official Google account.

Feel Safe.

The i3TOUCH X3 will receive Android security patches several times a year* ensuring a secure environment.

This provides advanced security features such as password protection, two-step authentication, data encryption, and more.

i3TOUCH X3

Compatible products & Accessoires

Built to last

The i3TOUCH X3 is crafted from the quality materials. Benefit from an extra hard coating on the front glass of the X3, making it resistant to scratches.

Faster and more secure

Go straight to the stuff that matters most. Android 13 is optimized for how you use your i3TOUCH X3, which gives you powerful device controls and even easier, faster, and more secure ways to work than ever before.

Upgraded storage

You can store twice as many documents, presentations, whiteboards, apps and more with the upgraded storage capacity of 128GB on the X3.

More tools to collaborate.

i3TOUCH X3 includes four pens to make your writing experience more intuitive and collaborative. With different colors, save time by picking up the pen you need. The X3 has advanced touch recognition technology.

Display features

EDLA

Google certified device, quarterly security patches, Google Play store, Google workspace

Four pens

Four different pens make your writing experience more intuitive and collaborative. With up to five-level touch recognition, students can simultaneously work on the display in different colors.

i3STUDIO

Our interactive displays are pre-installed with i3STUDIO. i3STUDIO delivers everything you need to accomplish your best lesson, pitch, presentation, or brainstorming session. Leave the room dazzled.

Reduced eye fatigue

With DC Dimming mode, a blue light filter, and an anti-glare coating, this i3TOUCH offers a best-in-class viewing experience that tremendously reduces eye fatigue. Certified by TÜVRheinland.

8 years of warranty

Since we are proud of our high-quality products, we offer a free educational warranty extension of up to 8 years.

128GB storage

Upgraded storage. You can store twice as many documents, presentations, whiteboards, apps and more with the upgraded storage capacity of 128GB on the X3.

Dolby

Tremendously improved audio with Dolby front facing speakers.

Enhanced clarity

Optical Bonding provides many benefits including, enhanced clarity and viewability, ruggedization, improved heat dissipation and the most accurate touch experience.

100W One-cable connection

Use the i3TOUCH display's speakers and camera by connecting your laptop to the screen with a USB-C cable. There are even two USB-C inputs. Only one cable for audio, video, power, and touch.
